Dear Mr. Richardson:

On behalf of the students and staff of Arthur Voaden Secondary School, I would like to express our gratitude and appreciation for your generous contribution to our Commencement ceremonies. It was wonderful that you were able to join us to make the presentation of this award.

Our graduating students have worked hard to achieve their goals and are very excited to be moving on to the next stage of their education. In most cases, their dreams of post-secondary education would not be possible without much needed financial aid.

A sincere thank you from the graduating class of 2018 – 2019! Arthur Voaden Secondary School is indeed very privileged to have such generous support.

Yours truly,

A handwritten signature in blue ink that reads 'm. Moore'.
