Dear Kinsmen Club of St. Thomas:

On behalf of the Board of Directors and staff of the St. Thomas-Elgin Public Art Centre, I would like to thank you for your kind donation towards the "Inspire a Student" annual campaign for 2016.

We take comfort in the fact that donors like you understand and appreciate the importance that art education can have on children and that equal exposure to the wonders of art should be given to all students, whatever age group and whatever their family backgrounds could be, because one never knows where talent might be hidden.

We look forward to welcoming you back many times, and thank you again for helping make this wonderful experience a possibility for every student.

We are deeply grateful for your continued support. Thank you for your contribution to the "Inspire a Student" this year.

Sincerely,

Laura Woermke  
Executive Director
