## The Amazing Adventure

### Saturday, August 16, 2014

**What type of vehicle can we use?** Any road legal vehicle, motorcycle, bicycle of your choice. There are no restrictions here!

**Is this a race?** NO. We encourage you to stop and "adventure" around each location at your leisure.

**How do you win?** When you return to Pinafore Park with all 10 clues, you will be entered into a draw for the Grand Prize. The draw will occur on the band shell stage at 3pm.

**What if we can't solve the riddle?** Hints will be available. The use of smart phones is encouraged, and feel free to ask the general public!

**How do we know when we are done?** Once you see a repeated clue, come back to Pinafore Park. Bands will be playing from Noon until 10pm. The Kinsmen will be running a BBQ and Beer Garden with proceeds going to Cystic Fibrosis.

### About Cystic Fibrosis

Cystic Fibrosis (CF) is the most common, fatal genetic disease affecting young Canadians. CF affects mainly the lungs and the digestive system. In the lungs, CF causes severe breathing problems. A build-up of thick mucus makes it difficult to clear bacteria and leads to cycles of infection and inflammation, which damage the delicate lung tissues. At present, there is no cure for CF. But, with continued research, there is real hope.

### About Kinsmen

Kin Canada is the premier all-Canadian service club. In addition to raising more than \$40 million for Cystic Fibrosis Research (our national service project), since 1920 Kinsmen and Kinette Clubs across Canada have raised more than \$1 Billion to "Serve The Community's Greatest Need."

In St. Thomas, the Kinsmen Club donates to many local organizations and youth sports teams. The St. Thomas Kinsmen also sponsor the annual Kinsmen Easter Egg Hunt and Canada Day celebrations at Pinafore Park.

Kin Clubs are founded on more than community service. Our members enjoy many opportunities for fellowship and personal development, as well. It was never said that serving your community had to be boring! For more information on joining the St. Thomas Kinsmen, contact Membership Director:

### About Kym

Kym Hanenburg-Witkowski was a Cystic Fibrosis patient and a good friend to the St. Thomas Kinsmen Club. Cystic Fibrosis research gave Kym several extra healthy years until she lost her battle with cancer on May 16, 2014.

## To raise money for

# Cystic Fibrosis Research

In Memory of Kym Hanenburg-Witkowski

The Amazing Adventure is a tour around St. Thomas taking in various places of interest. Clues take you to each location, where you solve a riddle to get the next clue.

Once you have been to all 10 places, return to Pinafore Park for an afternoon of concerts. All proceeds go to Cystic Fibrosis Research in memory of Kym Witkowski.

Everyone is welcome to come and enjoy the music at Pinafore Park following the adventure. Bands have donated their time to help raise funds for Cystic Fibrosis.

Bands will be playing from noon until 10pm, and the St. Thomas Kinsmen will be running a BBQ and Beer Garden.
